# SHIV BHAJAN

**SING ALONG with the LEELA BHAJAN JAM BAND**

To be more happy than the biggest smile  
C G  
To be more wild than the inner child  
E Am  
To be free to live joyfully  
F G  
I really don't mind to like what i find

To be more pure than holy manure  
To be more strong than a battle song  
To be free to live purposefully  
I really don't mind to change my mind

To be more light than the shortest night  
To be free to live peacefully  
I really don't mind to serve the blind  
  
To be higher than thoughts can fly  
To be more near than the dearest dear  
To be free to live naturally  
I really don't mind to be real kind

Am Dm  
There ain't much that I know  
Am  
But there's no mystery  
G  
If truth were to be told  
Am-G-Am-G  
As simple as can be

Dreaming about this  
Nor running after that  
Won't bring you happiness  
No rabbit in your hat

There's nowhere to go  
There's no-thing to find  
Life's a real good show  
As long as you don't mind

Ease into the pose  
Your spine is the guide

It grows into a smile  
That stretches for a mile

Never mind your mind  
The heart is the light  
It knows that it knows  
And that's the way it flows

Behind every eye  
The same being shines  
A hundred million roads  
And still we're all so close

The end and the beginning  
May not be the same  
They're no different either  
And neither is today

Let's play at life  
That's what it's for

There's a place at zero miles

Where it's easier just to smile

*Little me-e-e, Little me-e-e*

There's a place that you can have

Don't give her up forever just yet.

Sometimes it is kinda hard to understand  
Sometimes our mind, is ever so kind  
to go swimming in a sea where we dont wanna be.  
Yet the heart never changes  
The only word that makes some sense is yes  
Our souls are ever in the makin'  
Don't give up yourself just yet.

Sometimes things just don't seem right, guys  
Sometimes it is kinda hard to understand  
Sometimes we just need, to be forever freed  
from a tiny little part to which we lost our heart  
Yet the heart never changes  
The only word that makes some sense is yes  
New parts are ever in the makin'  
Don't give up the party just yet.

Sometimes things just seem alright, guys  
Sometimes it ain't hard to understand  
Sometimes we can see, beauty beyond belief  
hidden in the smile of a virgin eye  
Yes the heart never changes  
The only word that makes some sense is yes
